Monday and Tuesday were as warm as at any time during the summer, with the thermometer at 32 degrees in the middle of the day.

The wells and brooks are drying up and farmers carry water in barrels for drinking and household purposes.

The pastures and fields are dryer than at any time during the season, and the lawns are turning fast and falling off.

falling off.

The roads are almost impassable, with dirt and dust rim-deep.

The air was filled with smoke the first of the week from a forest fire.
